Karisma Modern

Stainless Steel Fabrication
& Commercial Kitchens

Bakery · Butchery · Commercial Kitchen · Cold Rooms
Designed, fabricated and installed in Nairobi since 2009.

WELCOME

Built in Nairobi. Ready for Kenya.

For over 16 years, Karisma Modern has designed, fabricated and installed commercial kitchen, bakery, butchery and cold-room equipment for hotels, restaurants, schools, hospitals, NGOs and government clients across East Africa. Every product in this catalogue is built to food-grade 304 stainless steel standards in our Industrial Area workshop.

Bakery Equipment

Deck ovens, spiral mixers, proofers and bakery display units engineered for production-scale bakeries across Kenya.

Electric 3-Deck Oven (9 Trays) · BEST SELLER

Provides consistent heat distribution for the perfect crust with energy-efficient industrial-grade insulation. 6 or 9 tray options, digital temp display, 3-deck configuration.

KES 285,000

Industrial Spiral Mixer 54L

Designed for heavy dough loads with high torque. Food-grade stainless bowl and hook. Double speed, timer control, 34L and 54L capacities available.

KES 195,000

32-Tray Proofer Cabinet

Insulated stainless proofer with digital humidity and temperature control. 32-tray capacity.

KES 165,000

Butchery Equipment

Bone saws, mincers, sausage fillers, chiller displays and food-grade 304 stainless butchery tables built to last.

Electric Bone Saw Machine · POPULAR

Heavy-duty precision cutting for frozen meat and bone with a full stainless steel body for high-pressure cleaning. High-speed blade, adjustable thickness, IP-rated motor.

KES 78,000

Commercial Meat Mincer TK-22

Powerful throughput for commercial butcheries with detachable components for thorough sanitization. TK32, TK22 or M12 models, heavy-duty gearbox, stainless head.

KES 42,000

Stainless Butchery Table 2.4m

Custom 304 stainless butchery table, 2.4m x 0.7m, with under-shelf and reinforced legs.

KES 38,000

Commercial Kitchen Equipment

Refrigeration, ovens, juice parlour, ice cream, fast food, coffee and catering — a full commercial kitchen, one supplier.

4-Burner Industrial Gas Range · BEST SELLER

Engineered for high-volume service with heavy-duty cast jikos and a reinforced stainless frame. AISI 304 frame, custom sizes available.

KES 115,000

Curved Glass Bain Marie

A premium display solution maintaining precise temperatures, fabricated with Grade 304 steel to resist corrosion. 4, 5 or 6 insert options, toughened curved glass.

KES 89,000

Professional Kitchen Sink 6ft

Deep-bowl design optimized for industrial sanitization with seamless welding. Heavy-gauge SS, single or double bowl, 4ft / 5ft / 6ft options.

KES 32,000

5-Tray Convection Oven · NEW

5 GN1/1 trays, programmable convection with humidity injection.

KES 175,000
